

Yr 11 & 12 Subject Information

For The Glenala State High School Yr 11 & 12 Subject Information Booklet [click here](#).

This booklet and the planned information sessions are aimed at helping you to make some important decisions about your future course of study. As we live in a rapidly changing and increasingly complex world that demands more education and training throughout our lives, it is necessary that you leave school well prepared to commence further education or join the workforce.
