Welcome to the October edition of the Glenala Gazette

A couple of weeks ago I noted that both the Senior and Junior Assemblies went overtime! When I had a look at the agenda the reason behind this was so positive! As well as the normal proceedings there were a number of notices and celebrations that showed again what a vibrant school community we belong to. This included the one hundred percent draw for attendance for students from Years 7 – 12. Six students walked away with a gift voucher of $100 each in recognition of ‘Every Day Counting’! Ms Stephenson announced the Australian English Competition winners, Mr O’Neil outlined the lunch time sporting opportunities and Student Council Representatives outlined the plans for the Day for Daniel annual walk. My thanks to all who contribute to our school being a dynamic one.

As the year draws to a close we will have more reason to celebrate with the Awards Evening on November 15, Glenala Way awards 14/15 November, Junior Star ceremony (Yr 9s) on December 6 and our farewelling of the Year 12s with the Graduation and then Formal/Mystery Tour on November 17. Please look out for details in letters sent home with students about these events. We will send reminders via text message and on Facebook and the Website. Please don’t hesitate to contact the school regarding any questions you may have.

It has been wonderful to see so many of our parents/carers at school and at other events such as the parent–teacher interviews, Year 10 – 11 evening, Year 9 – 10 evening and the SET Plans day. It was so exciting for parents, staff, and students working together to plan for Senior Secondary and life after school.

It is hard to believe that we are in the second half of the term and it is timely to remind families of the expectations and timelines for the end of the year. For our Junior Secondary students we are in the middle of term 4 with the last day of the school year for them being December 9. Our Senior students have a shorter time remaining with our Year 12s graduating on November 18 and Years 10 and 11 finishing on November 25. It is important that all students remain focused right up to when they finish. Parents/carers can support this by checking uniform, assessment dates, homework, ensuring students are punctual to school and that their attendance is above 92%. Our high expectations of students remain to the end of the school year.

Enrolment interviews continue this term for all year levels in 2017. Please contact the main office to arrange an interview as soon as possible if enrolment is relevant to your family. If you know family or friends who are intending to enrol at GSHS please encourage them to contact us for the compulsory enrolment interview.
World Teachers’ Day is celebrated on Friday 28 October in Queensland. Every day GSHS teachers are making a difference educating and inspiring young Queenslanders. Our Student Council will organise this important day and on behalf of the school community I would like to acknowledge our teachers and say a huge thank you.

Best Wishes

Anne Lawson
Principal

---

**SET Plans**

On Thursday 13 October over a hundred and thirty Year 10 students and their parents attended our SET (Senior Education and Training) Plan Interviews.

For the past several months Year 10s have been examining their Year 11 and 12 Pathways for 2017 and 2018. Hand in hand with these pathways are the subjects that students have locked in for their senior years.

Glenala celebrates its strength as being the best local option to cater for any pathway chosen by our students and carers. These pathways range from University, TAFE, School Based Apprenticeships and Traineeships, School Based VET Courses, paid work after Year 12 finishes and avenues such as defence and overseas study. This is further evidenced by our tremendous range of partnerships with all Brisbane universities, TAFEs and local industries. Glenala's subjects range from OP bound subjects such as Maths C and Physics right across the spectrum to Certificates in Engineering, Logistics and Heavy Vehicle avenues. These last two qualifications are part of our brand new Glenala Trade Training Centre which opened during the year. Some of your Year 10 students have actually started these courses to contribute towards their Queensland Certificate of Education (QCE).

On hand at the interviews were specialist staff such as the Senior Schooling Heads of Departments (HOD), English and Maths HODs, Guidance Officers, Director of Student Achievement staff and interpreters. This ensured that nothing was left unchecked.

It is very important to Glenala State High School that all of our students have successful pathways. In three year’s time we will actually survey our current Year 10s to find out how they are going in “Year 13”. Every student counts even after they have finished Year 12.

The school is tremendously grateful for the support shown from our parents and carers in making this a highly successful event. Everyone has ensured that in January next year our Year 10s will be well and truly on their way through the Senior Secondary phase of schooling.

If you have any questions whatsoever regarding the SET Plan process, please don’t hesitate to contact myself or the Year 10 Coordinator Ms Sarah Laurie.

Thanks for your support

David Newman
Deputy Principal
News From Junior Secondary

**Junior Star Awards:** On Tuesday 6 December, there will be a special assembly to recognise our Junior Star award winners for our Year 9 cohort. To be awarded a Junior Secondary Education Certificate, students must achieve the following:

- Graduate Year 9 with **30 accumulated credit points.**
  - Obtain 6 credit points per subject once a ‘C’ or better is awarded at exit (Year 9) in any subject.
  - Pass at least 5 subjects or more (including 3 core subjects)
  - Obtain one point for each semester (6 Semesters total over 3 years)
  - Gain 18 points from the 3 core subjects (4 points each – Maths/English/Science)
  - Gain remaining 12 points from elective subjects.
  - Overall ‘passed’ 5 subjects which will offer 6 points each, a total of 30 credit points.

We encourage all our Junior School students to keep working towards this goal of achieving a Junior Star at the end of Year 9.

---

**JUNIOR SECONDARY CAMP – MORETON ISLAND WEDNESDAY 30TH NOVEMBER TO FRIDAY 2ND NOVEMBER – FINAL PAYMENT DUE TO THE OFFICE BY FRIDAY 4TH NOVEMBER!!**

**ENROLLING NOW FOR YEAR 7 2017!!**
Please contact our Administration office on 3877 4222 to make an appointment!!

News From Senior Secondary  
Attendance Update

Attendance is always a priority at Glenala as we know that attending school every day is the first and most important step to student success. Our school target of 92% attendance or better, accounts for students being absent for no more than 4 days per term. At this point in time, our whole-school attendance average is at 88.7%, so we are not on track to reach our target. However, it is important to recognise the percentage of students who are meeting and exceeding our school expectation of 92% attendance.

| Whole-school Attendance Rates 2016 |
|---------------------------------|---|---|---|---|
| <85%                           | 28.3 | 13.6 | 20.5 | 37.6 |

Glenala Attendance Target of 92% or better = no more than 4 days absent per term!

Do you know your child’s attendance rate?
Your child can find out by asking a teacher or their year-coordinator.

Congratulations!

Our school captain Samantha Mauinatu has been awarded a prestigious Certificate of Community Service Award from The Order of Australia Association Secondary Schools Citizenship Awards. These awards recognise students who have demonstrated outstanding community service. Whilst over 60 students were awarded Certificates, Samantha was one of a select few who was invited to be presented with her certificate in a formal service within Parliament House, with her mother, Jeff Jennings (Teacher) and Amanda Deen (DOSA).

Senior Director of Student Achievement
Science Department News

STEM (Science Technology Engineering Maths)– Indigenous Science

As mentioned in the previous newsletter, the Year 8 and 9 Science students were involved in Inquiry based learning – everything that STEM promotes. I believe students did enjoy themselves and the engagement was outstanding. As a result of this, I would like to share with you some of our experiences.

**Student engagement** – every Science teacher noticed a difference in their classroom. Students who normally shy away from investigations, were interested and busy. Student results also reflected this. Teachers were most impressed with the quality of work being submitted.

“’It was fun – I got blisters on my hands from trying to start a fire using the hand drill method. It was tough but I did not want to give up’” Corey Williams, Year 8

“’Our seeds actually germinated. I wasn’t expecting that.’” Lite Togia, Year 9

“I was able to use Mrs Gantimuroff’s laptop and record all my results. This really helped me to get all my thoughts out of my head – better than writing it down” Zane Howard, Year 8

**Connection to Indigenous Science** – Aboriginal and Torres Strait Islander students felt comfortable sharing their culture with the students.

‘We call the fire stick a ‘birri’’ Daniel Deshong Powell, Year 8

‘I never thought of Aborigines as Scientists!’” Freeman Williams, Year 9

Next year we hope to extend our STEM Inquiry Model to other units in Years 8 and 9.

Anne Gantimuroff
HOD Science, Year 8 and 9 Science Teacher.
Maths Department

Just a reminder that the Math Help Room has student tutors available every Tuesday, Thursday and Friday at 1st breaks. The room is designed to be a safe space for students to access extra help from our senior students. Students can bring their lunch along while they get help with homework, ask questions about assignments or just spend time catching up on missed work. It would be great to see even more students attending the sessions especially in the lead up to assessment time. Please contact Margaret Jacobs (HOD Mathematics) if you have any questions.

Senior Schooling News

We are at the finishing end of many programs started at Glenala this year for the senior students.

In 2016, a large number of students were engaged in DET programs like GENR8, ACCELR8, ALLEVE8, LAMIN8 and MARIN8.

Most students were successful in gaining a qualification as well as valuable work experience.

A large number have also secured employment.

Toipo will start a CERT III in Aged Care as well as continuing work at Riverview Gardens Aged Care facility, and Bundaleer Lodge Aged Care facility.

Grace and Joseph have secured spots at Mainfreight Larapinta.

Ishaylee and Anakin have been asked to hand in resumes’ at Hilton, Cloudland, Berkley’s on Ann and Defying Duck with possible job outcomes for both.

Tyrone Gee has had an offer of employment at Lindsays Fresh Logistics, Rocklea.

Jeremiah Nanai has secured a place at Southside Honda Woolloongabba.

Bernadine Sione has been offered employment but is still thinking about it.

Amelia Sika was offered a 6 week casual position now at Brisbane Trailer Sales with it being converted to fulltime employment upon finishing Year 12.

Senior Schooling HOD
Trainedeeships

In 2016 Glenala signed up many students in traineeships in areas of Retail, Business admin, Childcare and Logistics. It is so exciting that we have not even finished the school year and we have approximately 23 students completing their traineeship with valuable work experience and important QCE points.

TAFE

As the year closes, we should soon see a number of students completing courses at TAFE as well. The current enrolments stand at 6 in areas of plumbing and electro technology. These students have spent one day per week at TAFE and have had work experience opportunities as well.

Technology Department

In term 3, Year 12 hospitality students busily trialled soups for their soup sale venture. Students have had to cost out and then market their product to paying customers. Soups on the menu include Pumpkin, Leek and Potato, Corn and Chicken and Coconut Cauliflower. These were served with a crusty bread roll.

The Year 11 hospitality students mastered their skills in making different types of sandwiches. This was in preparation for the annual High Tea Event.

S. Gibney
Senior Schooling HOD
Multicultural day Cook Up!!!

Once again the Senior Hospitality students along with teacher aide Tosh, Mrs Prasad and Mrs Gibney served up 850 containers filled with delicious FOOD’s of the WORLD”. Everyone got to taste Samosa from India, Spring rolls from China, Mandazi bread from Africa, Samoan pineapple cakes and Aussie sausage rolls. This was a mighty effort and thank you to all staff who helped distribute the food containers. This year also saw a huge effort in recycling the containers. Thank you to all students in helping look after our planet.

S. Gibney
Senior Schooling HOD
ITD Boys in Action

The collage shows students in IDT - Engineering and Construction classes.

These rooms are filled with energy, enthusiasm and a hive of activity.

Students have made to date a number of projects ranging from G clamps to Cabinets with shelves.
Glenala Arts Showcase

Coming up in only 2 weeks is the Glenala Arts Showcase! It’s on the evening of Thursday the 3rd of November. Glenala State High will be showcasing the AWESOME talents of our amazing Arts’ students. From 6pm to 7pm there will be an Arts Gallery with finger food and drinks, provided by our Hospitality students, along with live music in the foyer of The Great Hall. From 7pm to 8:30pm performances will feature on the main stage. There will be dancing, drama, movies, and music, all performed or created by our Glenala Arts students. The tickets are $5 for just the concert, and $7 for the concert and gallery. The tickets are on sale NOW at the office until 3:30pm Wednesday the 2nd of November. We hope to see you there!

The Arts E Learning/ICT HOD
The Fruits Of Our Labour

The Glenala Gardeners have been working hard during 3 periods every week for almost 10 weeks now. They have painted, dug, planted, fertilised, watered, weeded and toiled in the sun in order to produce some amazing results – particularly for 5 boys who knew nothing about gardening 10 weeks ago! The following article has been written by Tyler, Nick, Corey and Dylan.

Corn was the first vegetable we planted in the garden. We decided to plant corn because it is fast growing and is perfectly suited to the hot weather and sunny spot we have planted it in. We will also be able to grow lots of corn, which we intend to eat some of ourselves, but give most of it back to the community and to families who need it most. We also have decided to grow corn because everyone loves the taste of corn! If you are interested in growing corn in your own garden, The Glenala Gardeners have put together the “Top 10 Tips for Growing Corn” on the next page so that you can grow your own corn too.

The corn has had some amazing results in such a short amount of time. When we planted the corn, it was no bigger than a coke can, but now it is well over a metre tall! The corn plants are very green and healthy looking with lots of leaves. We can already see a few corn cobs developing and can’t wait to taste them.

After planting the corn, we decided to plant some cherry tomatoes. The cherry tomatoes have grown so well that we have had to tie them to stakes so they can continue to grow upwards, as they are a climbing plant. We have counted over 30 cherry tomatoes already, which will be ready to pick and eat very soon. Some of the newer additions to the Glenala Garden are cucumber, lettuce, kale, and our herbs – chives, basil, parsley and mint. We have decided to plant these because they grow quickly – especially because we only have a few weeks of school left before the holidays. Most of the new plants are growing well – especially the tomatoes and the cucumbers. However, our herbs are struggling in the heat. We believe the tomatoes and the corn are growing the best because we have used fertiliser on them, which is helping them grow.
The Glenala Gardeners have recently invested in a compost bin which will help the garden grow. We have started to collect vegetable scraps from home, as well as some fruit scraps from school. These, along with grass clippings and leaves from the oval are in the process of becoming excellent fertiliser for our garden. Using this on the garden in a few weeks will help the garden grow.

The Glenala Gardener’s Top 10 Tips For Growing Corn

1. Plant the corn in October
2. Find a spot in the garden which has lots of sun and no wind
3. Turn the soil over 2-3 times before planting
4. Add cow manure to the healthy soil
5. Plant the corn 40-50cm apart in block formation
6. Water the corn at least 3 times per week
7. When the corn is established, make a mound around the base of the plant – this technique is called ‘hilling’
8. Look out for pests such as Earworm and Bush Rats
9. Harvest corn 2-3 weeks after flowering
10. You will know the corn is ready when the corn kernels ooze a milky sap

Success Coach
Student Services Department
Mental health Week

In the second week of this term (10 -14 October) Glenala State High School celebrated Mental Health Week. Mental Health Week provides an important opportunity for our school community to acknowledge and reflect upon mental health and the importance of mental well-being. The term ‘mental health’ refers to how a person thinks, feels, and acts when faced with life’s situations. It is how people look at themselves, their lives, and the other people in their lives; evaluate the challenges and the problems; and explore choices. This includes handling stress, relating to other people, and making decisions.

The aim of Mental Health Week at Glenala SHS is to promote social and emotional wellbeing to the community, enhancing the coping capacity of communities, families and individuals. At Glenala State High School the Student Services team coordinated or led activities each lunch break to engage students in positive activities that aimed to activate, educate and engage good mental health and wellbeing.

- Activities that were conducted:
  - Tie dying
  - Dance and guitar workshops
  - Zumba classes
  - Art and Painting workshops
  - Physical activities
  - Glenala – Gram (Glenala’s wall of positivity)

As you can see from the photos, students had a great week participating in the different activities.
Thank you to all teachers who took time out to be involved in the activities. Teachers have a lot of responsibilities such as helping students progress academically, taking on community leadership roles and maintaining a safe classroom environment. Yet perhaps nothing is as important in a teacher’s work as promoting the positive mental health of students. Research suggests that students who are mentally healthy are more motivated, self-aware and able to participate in a classroom community. It was so good to see all of the staffs’ support in Mental Health Week with some amazing costumes being brought out of the cupboard after being hidden away for 40 years.

Director of Student Engagement
Awards Night

The Glenala State High School Awards Night is the most important event of the school year as we join together with our family, friends and local community members to celebrate the achievement of our students, and to find out which students will be leading us in 2017. To begin with we will acknowledge the hard work of our top performing students in each subject as well as those students who excel in their sporting and art endeavours. After this a number of scholarships and special awards will be awarded to a number of outstanding students including:

- **Brenda Douglas Memorial Award** – This award is given to a student who shows the same traits of enthusiasm, courage and dedication, as Brenda Douglas a school leader in 2009.

- **Community Spirit Award** – This award is given in recognition of service to the school and involvement in school activities.

- **Lale Family Memorial Award** – This award is named after the Lale Family who were Vocational Students at Glenala in 2011, and this award is presented to a student who has made outstanding progress in a vocational pathway.

- **Zonta Educational Encouragement Award** – Zonta is a women’s service organisation, which each year presents awards to female students who have demonstrated sound academic results and an involvement in various aspects of school life, who aspire to careers in the sciences.

- **Minter Ellison Best and Fairest** – This award goes to a student who is able to maintain sound academic results but who also participate regularly in extracurricular activities.

- **Create Change Achievement Award** – The University of Queensland will present this award to a senior students who has shown academic, school and community leadership.

- **REACH Awards** – This award is sponsored by Griffith University and is given to 5 students who are in Year 10 and are already displaying great academic potential.

- **Inala Plaza Scholarships** – These scholarships are presented to Grade 10 Students who have demonstrated either excellent community engagement and are an all-rounder, or for demonstrating promise for a particular career pathway.

- **Minter Ellison Scholarships** - These awards are offered to a few current Year 10 students to assist their successful completion of Senior Schooling. These scholarships enable students to reach their potential by providing both financial support and work experience exposure in the prestigious law firm.

- **Dux and Year 10 and 11 Academic Excellence Awards** – These highly prestigious awards, sponsored by The University of Southern Queensland, are given to the students that have achieved the highest academic standard in their respective year.

Students who have been nominated for an award will receive a letter with more information about the event but we recommend that you write a reminder on your calendar for this important event.

T. Rynne
Events Coordinator
You are invited to

GLENALA STATE HIGH SCHOOL
Sports
Lunchtime Activities

Mr O’Neill and the HPE team are running Volleyball and Futsal competitions in the Sport Centre during first breaks. Volleyball is held at first break on Wednesdays and is open to anyone from Years 7 to 12 to participate. If you want to come and play volleyball just come along at the start of first break. The Futsal competition is held on Fridays at first break. There are 4 teams in the competition and some very competitive games. In the first week of both the Volleyball and the Futsal starting, we had more than 50 students come and watch or play in both events. If you would like to watch or participate in either of these competitions, please see Mr O’Neill for more information.

T. Horsley
HPE HOD

ENROLLING NOW FOR 2017

We are in the process of getting organised for 2017 and as such we invite all parents/carers of prospective students for years 7-12 to organise enrolment for next year. Glenala SHS’s enrolment process starts with a compulsory interview. Please bring the following to this interview:

- A completed Expression of Interest Enrolment Form Year 7 (available on the website) or Enrolment Form for Years 8-12.
- Copies of the most recent report card
- NAPLAN reports
- Birth Certificate
- Any relevant passport and/or visa documentation
- Court orders if applicable

Applicants will be notified if they have been successful with their application.

Scholarships for both Senior and Junior Secondary students are available. Please ring the school for further information and to make an interview booking.
LOOK AFTER OUR STUDENTS:  
DRIVE SAFELY ALONG GLENALA ROAD!

Parents/caregivers are asked to note the following road safety tips:

1. Please don’t park on the yellow lines
2. Please don’t park in the school grounds to pick the student up/ drop off
3. Please follow the speed limit signs
4. Please be cautious when driving along Glenala Road

Thank you for your cooperation

Perseverance
2016 Uniform Policy

In formulating this policy, an understanding of cultural, gender and social circumstances has been taken into account. The Parents and Citizens Association of Glenala State High School has made an active decision to be a UNIFORM school in accordance with the Education (General Provisions) Act 2006, as such, the school uniform is to be worn at all times.

Extreme hairstyles including outrageous colours, mohawks, tracks, rat tails, undercut and shaved sections are not permitted.

**PLAIN WHITE ANKLE SOCKS** MEANS NO STRIPES, PATTERNS OR LOGOS OF ANY SORT
TEXTBOOK HIRE SCHEME PAYMENT

You should by now have received your Textbook Hire Scheme Payment form. Thank you to all families who have paid their child’s fees in full. The Textbook Hire Scheme cost for this year is $205.00 per student.

If you have outstanding fees owing from 2015, any payments made will be deducted from this debt first. Your child will be entitled to their Textbooks as soon as you have:

- paid $50 part payment for 2016 and
- have entered into a payment plan for the remainder of fees owing

All fees need to be paid in full by 16th September, 2016. If you do not wish your child to participate in the Textbook Scheme, please phone the office to make an appointment to see me, so the appropriate paperwork can be filled out. At this appointment, a list of resources and textbooks will be provided to you, so you may purchase them for your child.

As indicated on the Textbook Hire Scheme information sheet, you will see there are some subjects which incur a Subject Levy. These costs are separate from the Textbook Hire Scheme. If your child is enrolled in these subjects, the levy will need to be paid by the end of each term. Failure to pay the subject levy will result in you providing resources required for your child to participate in this subject. If your levy is unpaid, your child will not be able to use the school resources.

Payments can be made at the school office between 8am and 4pm Monday to Friday. Payments can also be made using the BPoint Online System, or by telephone (07 3877 4222), via EFTPOS, using a Visa or Mastercard. There is an option to have deductions taken from Centrelink payments. Application forms can be obtained from the School Office.

If you have any queries, please do not hesitate to contact me on 38774222.
