Welcome to the December edition of the Glenala Gazette 2015

It has indeed been a wonderful time for the Glenala State High School community with very special ceremonies to celebrate student achievement – academically, culturally, on the sporting field and in service to others. It was fantastic to see so many students recognised for living and breathing our school values – commitment to learning, perseverance, pride and respect and responsibility.

In week 7 we recognised students nominated by their teachers for enthusiasm and effort in classes with the Glenala Awards. The prestigious Awards Evening took place on Tuesday with the keynote address delivered by the Premier of Queensland Annastacia Palaszczuk, who expressed her joy at being with the Glenala SHS community. The evening culminated in the announcement of our Special Awards including Dux of the School – Thuy Nguyen, the 2016 School Leaders – School Captains – Samantha Mauinatu, Emile Tootoo; School Leaders – Damion Steel, Shania Ah-Dar and Indigenous Leaders Shanoa Hughes and Tyson Broderick.

Thursday of week 7 belonged to the 2015 Seniors with a moving Graduation Ceremony. A highlight for me of the ceremony was the small but significant speeches presented by each of the That’s Life teachers. The speeches revealed the great relationships the teachers had with their students and this is something that is valued at a whole school level. The Formal was a fitting end to an exciting week with the year 12’s dancing the night away looking spectacular in their evening gear. By all accounts the Mystery Tour was a great success as well with many memories created for those who attended.

I was so impressed with the number of parents/carers and friends who attended the ceremonies, showing a great partnership between home and school. I look forward to your involvement in our great school in 2016 and thank you for the important role you play in your young person’s education.

Every year we recognise a community member for their contribution to the school. In 2015 the recipient of this award was Mr Paul Matthew our long term P and C President. I would like to acknowledge Paul’s ongoing commitment to our school and thank him sincerely.

I would like to finish with extracts from Madison Burbidge and Tomislav Puselj, the 2015 School Captains speeches at the Graduation. Their heartfelt speeches touched all present.
Tomislav Puselj

It’s been a long road for all of us here today. Some of us have been here since Grade 8 and some of you only joined us this year. But when we graduate today it won’t matter where you’ve come from – all that will matter is that you’re here graduating with us. ........ Take a moment right now to think about everything you’ve done to get here – never forget that when you thought that you couldn’t do it and you thought about giving up that you never did and you’re here with all of us at the finish line of 12 years of education.

I’m sure you’ve all noticed that everyone graduating today is wearing a small ribbon. This ribbon symbolises all those students who started the journey with us who are not graduating with us today. This ribbon is our way of including them with us as we cross the finish line as one group.

Some of us here today are going to University. Some are going to TAFE and some of us are going straight into the workforce. Whatever you’re doing next year, do it with pride and passion. Be proud of the work that you put in and make sure you put in 110%. Be passionate about what you do and stand up for what you think is right. Just like our Glenala values, persevere to make sure you hand in work on time and make sure that the work you do is something you can be proud of. In the immortal words of our cohort One Heart, One Mind, One Glenala. Thank you and I wish you all the best for the future.

Madison Burbidge

There are a few key groups of people that have helped us through our challenges. The help and support from the teachers through our entire schooling has been remarkable. So thank you. You all deserve so much more credit than what you receive. You pushed us to do our best and be our best; you’ve pushed us all the way to today. From the teachers, teacher aides and administration to the canteen ladies, groundsmen and the cleaners who stay after hours just to create a better learning environment for us- we as the graduating cohort would like to say thank you.

There is another important group of people that need to be recognised for their encouragement, inspiration and assistance- our families and carers. We thank you for your support: physically, emotionally and financially. We, as a cohort want to thank you all immensely, because if it wasn’t for you, we wouldn’t be graduating today. And to my beautiful mum I can’t thank you enough, I love you.

School has never been easy but it is standing here today that I now know it isn’t supposed to be. The challenges, the highs, the low, the experiences and friendships- they make us who we are. Let’s not forget about the students. From the dancers, singers, athletes, academics and artists, we all came together as one and are finishing as one.

To the class of 2015, I wish you the very best in your journey and thank you for being part of mine. Wherever we go and whatever we do we will always be Glenala Gladiators.

I wish all our families and community a safe and happy summer break. School starts back for all year levels on Wednesday 27 January 2016.

Best Wishes,
Anne Lawson
Principal

School Opening Details 2016

Glenala State High School’s first day of term 2016 will be Wednesday January 27. All Year levels 7 – 12 will commence learning on this day. First bell will ring at 8.50am. Formal uniform is to be worn and all learning equipment brought to school.
2016 Uniform Policy

In formulating this policy, an understanding of cultural, gender and social circumstances has been taken into account. The Parents and Citizens Association of Glenala State High School has made an active decision to be a UNIFORM school in accordance with the Education (General Provisions) Act 2006, as such, the school uniform is to be worn at all times.

Awards Night

On November 17th, Glenala held its 20th annual Awards Evening, a night of recognition, celebration and appreciation. We were entertained by the Senior Vocal Ensemble and were honoured to have a number of VIP presenters to deliver the awards, including Premier Annastacia Palaszczuk and John Norfolk – Assistant Regional Director of Education Queensland. The evening began with our Principal, Anne Lawson, highlighting the successes of the year and awarding the future Year 7 scholarships. This was followed by the Sports Awards. Ita Faolua was awarded the Sports Encouragement of the Year award and Elisha Woulf was awarded the Sports Person of the Year Award. We then presented the Arts Person of the Year Award to Kirisipi Collins and a record number of Year 7 and 9 students were recognised for their high achievement in the NAPLAN tests. The next awards that were presented were the Academic Awards where the top academic performing student in each class was recognised for their high achievement. The students who have consistently achieved straight A’s throughout the year were also awarded the coveted Principal’s Award and a number of Grade 10 and 11 students were granted scholarships from one of the following organisations: Minter Ellison Lawyers, University of Queensland, Penn College and Inala Plaza.

During the evening we also awarded a number of special awards, given to students who have shone bright throughout the year. The University of Southern Queensland Excellence Awards were granted to Kyle Ryan and Christine Nguyen, and Nhu Phan won the prestigious University of Queensland Glenala School Prize. The Brenda Douglas Memorial Awards were awarded to Lenesha Duncan and Emile Tootoo and the ZONTA Educational Encouragement Awards were given to Jessica Ly and Patricia Riveral. Mitchell Currie was presented the Premier Annastacia Palaszcuk Community Spirit Award and Darcey Duroux the Minter Ellison All Rounder Award. The Lale Memorial award for excellence in a VET pathway was awarded to Franziska Mueller, and Connor Mahoney and Thuy Nguyen were presented the Long Tan Scholarship Awards. Paul Matthew, Glenala’s P & C President, was bestowed the Appreciation Award for his continued work with the school and the community and the University of Southern Queensland DUX award, awarded to the highest academically performing student in the school, was given to Thuy Nguyen.

We concluded the evening by announcing the 2016 leaders. Congratulations to Samantha Mauinatu and Emile Tootoo, our new school captains, Shaniah Ah Dar and Damion Steel, 2016’s school leaders and Tyson Broderick and Shanoa Hughes, the Indigenous leaders for next year.

Well done to all students who received an award at the Awards Evening and/or at the morning ceremonies. You should all be proud of your hard work and dedication to your studies and your school.

Becky Kirtley
Events, Productions and Promotions Coordinator
A week of celebration...
Senior Schooling

Congratulations to all Year 12 GenR8 and AccelR8 students who have successfully completed Certificate II in Automotive and Warehousing. A number of these students have gained employment as well as valuable QCE points.

Thirteen Year 12 students have completed a Certificate II in Health Services.

Five Year 12 students have completed their Traineeship program in various vocational training areas. It’s been a sensational year!

In 2016, Glenala SHS students will be taking part in the following School to Work transition programs: AccelR8, GenR8, AlleVE8 and MarIN8. These programs provide students employment opportunities and pathways within businesses, whilst gaining a Cert II level nationally recognised qualification and crucial employability skills.

Sharina Gibney
Senior Schooling
News From Junior Secondary

What a wonderful, exciting year we have had in Junior Secondary 2015! As we come to the end of the school year, it is timely for us to reflect on what has worked well, and how we can make things even better in 2016.

The Year 7’s have been a dynamic year level, and have added a fantastic dimension to our school. They have been enthusiastic, insightful, thoughtful of their teachers and peers, and they are a genuinely pleasant and happy group of young people. Some of our Year 7 students have reflected on their first year of high school:

“Year 7 has been a great experience for many of us because we made many friends and the teachers are the best at what they do. They have guided us to do our best and achieve our goals.” (Elisara Talaia)

“The best thing about Year 7 in my opinion is the teachers because they helped us achieve to the best of our abilities and guided us to achieve our goals.” (Dylan Phan)

“The best thing about Year 7 is meeting all kinds of people from different cultures and communities. Also the best thing is multicultural night because we learn about other cultures”(Jemarah Carr-Smith)

“Here at Glenala SHS I’ve had a good first experience of High School. There are great people here like Mrs Bajwa, Director of Student Achievement and Ms Lawson our Principal. I’ve made many friends and have done very well and received many awards. There are lots of extra-curricular activities and opportunities, which makes learning fun. My favourite thing about this school is that everyone is different, and come from different countries and places. When I first came to Glenala to start High School I was very nervous, but I’ve adapted to these changes, and am very happy to spend my first year here at GSHS.” (Maya Simonis)

“This fun filled year has gone in the blink of an eye for many Year 7’s who are relieved they made it through their first year of High School. The highlights of High School this year were the activities that are available for all students, Glenala’s Got Talent and the Multicultural concert". (Katie Butterfield)

“Year 7 2015 was great!! We had so much fun, even though it was like a hectic ride. I made so many friends and met wonderful teachers who helped me to be the best I could be. There were funny times and sad times, but overall the year was great – imagine how good next year will be!!”(Francois Nahimana)

“Glenala has been great. There are so many experiences here and opportunities such as Multicultural day, Awards night, Glenala’s Got Talent and so much more. Year 7 here has been the most fun-filled year I could imagine. The teachers, facilities, students and events that happen are always thrilling. I wouldn’t want to experience Year 7 anywhere else”. (Nyoka Lado Mena)

“I would like to thank Ms Lawson for teaching me a wonderful lesson. In the middle of Term two, I had started to slack off with my uniform. Countless times I had been warned to wear my uniform proudly, but I ignored them. So one day I found myself sitting outside Mrs Bajwa’s office for talking too much. While I sat there feeling sorry for myself, Ms Lawson walked in and looked at me in my sports uniform (even though I didn’t have HPE that day, black socks and black pants. She didn’t yell, she didn’t get angry, she just said, ‘What’s with your uniform Zhenturi? You look nice in your formal uniform. Don’t ever lower your standards’. I have remembered those words and I have realised how much this school really cares for me”. (Zhenturi Nanai)
As you can see, our Year 7 students have had a wonderful year at Glenala SHS and as a staff, we have enjoyed watching them develop into wonderful young people. We look forward to seeing them grow over the holidays, and come back as Year 8 students. We are also looking forward to welcoming our new Year 7 students in 2016.

We wish everyone a safe and happy holiday and look forward to working with you in 2016 to ensure that your child receives the best education possible.

Mrs Bajwa
Director of Student Achievement

From the Student Services Team

2015 has been in part a transition year with some new staff and the addition of some programs to complement the existing services. This will carry into 2016 and continue to evolve to meet the needs and changes as they occur within the Glenala SHS community.

To all the staff, students and community members who have assisted, supported, helped in any way to ensure that activities/programs that were run during the year were highly successful - a big thank you.

To the students that have left to embark on future pathways, we wish you all the best (remember to drop in from time to time to let us know how this is going), and to the returning students we look forward to seeing you in January 2016 – refreshed, renewed and ready for a ‘best on field’ effort for 2016.

Some thoughts for during the break ….

Stay connected  Keep learning  Be active

See you in 2016 – Student Services Team
What a year it’s been! From looking at social issues in the media for Year 10 English, to environmental issues and impacts in Year 8 Geography and discovering what it was like during World War I in Year 9 History, it is without a doubt that our students have been busy in the classrooms. Our students have had a very big and eventful year, with so many activities, both in and out of the classroom, such as special award ceremonies, excursions and cultural and sporting days. Next year will be bigger and better for us.

We look forward to saying hello and meeting the new Year 7 cohort of 2016. Starting high school might be a big step, but it’s a big step in the right direction! The staff and students at Glenala will be there to embrace new faces with wide smiles and open arms. Students will feel right at home in the supportive environment.

With a hello, there comes a goodbye. The seniors of 2015 have completed their last assignments for high school, and walked across the stage in the hall for what may be the final time, proud of their achievements throughout the years. To our marvellous Year 12 cohort; congratulations on finishing your secondary schooling! What a milestone to have achieved. You have come such a long way and you only have further heights to reach. Wishing you all the best with whatever lies ahead in the future.

2016 brings in a new year, with new faces and new opportunities for the students here at Glenala. On behalf of the department, it was an absolute pleasure having so many raised hands and eager faces in the classroom, and we can’t wait for what’s in store for next year!

The department wishes you a relaxing and happy holiday, and we look forward to meeting and seeing you all in 2016.

Yours in literature,
Jo Tran
English, Humanities and LOTE

Mathematics and Numeracy News

Numeracy is an essential skill that young people need to succeed in their everyday lives. As a parent or carer, you will have already made a significant contribution to supporting your child’s learning from an early age. At Glenala, in 2015, we have been using the See, Plan, Do, Check approach to problem solving both in the mathematics classroom and also across the school in all curriculum areas.

Here are some simple yet effective questions you can ask your student in order to help them with problem solving task at home.

Meg Jacobs
Head of Maths
Glenala Arts Showcase 2015

On the evening of Wednesday 28th of October, Glenala’s arts students were on display at the Glenala Arts Showcase 2015. In a night which started with an Art Gallery, complete with live music and food served by wait staff, parents and supporters of Glenala’s Arts Program were able to mingle with our students and teachers to find out what goes on inside Art classrooms. There were over 50 exhibiting students with artworks in the Gallery, curated by our Visual Art teacher Miss Romana Weedon.

A concert was soon to follow, featuring acts from Music, Drama, Dance and Media classes. Highlights included the Year 11 Dance class’s performance of Fame, the Senior Music Students’ rendition of Let’s Get It On by Marvin Gaye, Year 11 and 12 Drama performances based on the play Waiting for Godot and frighteningly good student-created horror films from the senior Film, TV and New Media classes.

Thanks to all students, teachers and parents involved in putting on this magnificent show.

Simpson Reeves
Music Teacher

Year 12 Music student, Richard Fagu performs his own work: Girl From Glenala onstage at Showcase 2015.

Staff and Students enjoy the Art Gallery at Showcase 2015

Fine Woodworking And The Skills

This Semester in Furnishings students have been focusing on fine woodworking and the skills, knowledge and practical abilities linked to this dying art. The students used dovetail joints to make the jewellery boxes and could use a variety of timbers to influence their design. Those that completed the task early were given the opportunity to place a mirror inside which completes the jewellery case. The hard work and perseverance have paid off with some fantastic work being produced. All the students are proud of what they produced and look forward to the next project in 2016.

Timothy Blick
Furnishing Teacher
Homework Club

Homework Club has been a favourite destination for many of our improvement driven this past year. Each Wednesday and Thursday afternoon, from 3.15 to 4.15pm, students have been actively engaged in completing set homework tasks, assignments and study for upcoming exams. Many thanks must go to our very dedicated staff who volunteer their time on each of these days to assist students in attaining success across all curriculum areas delivered here at Glenala State High School. Homework Club will commence in Term 1, 2016. New permission forms will be required by all students at the beginning of the new school year. Please make note that once students have signed in after school they are not permitted to leave until 4.15pm. This ensures the safety of each student. Parents/Carers please note that it is the expectation of the school that you collect your son/daughter promptly at 4.15pm. We look forward to seeing many new and familiar faces on Wednesday and Thursday afternoon, Term 1, 2016 in the Library. Don’t forget to collect your permission form early.

Elizabeth Ballin
HOD Business/Year 13/Library

Business Faculty

As the academic school year draws to a close, the Business Faculty is still working at a rapid pace, marking and reporting student progress. 2015 has been a busy year once again with students in Years 7, 8 and 9 all aspiring to gain and improve computer skills that will allow them to produce professional documents, ranging from a simple Word document or brochure to a more complex Excel Spreadsheet. These new and improved skills will be a valuable asset in their school repertoire. The Senior Secondary Business classes, Year 10 Business and Certificate I IDMT, Year 11 /12 Business Studies, Year 11/12 Tourism, Year 11/12 Certificate II IDMT and Years 11/12 Business, Communication and Technology (BCT) have all duly flourished, displaying new business acumen in all aspects of their studies. To those students returning in the New Year, we shall endeavour to engage and exhilarate you with ‘real-life’ scenarios that will reaffirm the correlation of school ‘work’ to future study and/or paid employment. On behalf of the Business Faculty Staff I would like to pass on our heartfelt congratulations and best wishes to all our Senior Business students of 2015. May they find success and happiness on the many different pathways they choose in life.

Elizabeth Ballin
HOD Business/Year 13/Library
Aboriginal and Torres Strait Islander

The 2015 school year has been a busy one, with many events, programs and opportunities for our Aboriginal and Torres Strait Islander students. Once again AIME was a success. New partnerships were formed with Griffith University and AIME and this has provided opportunities for our graduating seniors to gain direct entry into their chosen university courses. We look forward to continuing the journey of Indigenous success in 2016.

Thank you to Leroy Loggins and staff for their engagement programs and continued support. This year six students were extremely fortunate to be selected to represent Glenala State High School in the Leroy Loggins Sydney Trip. Junior students were once again able to participate in the Deadly Choices Program and the Tobacco Program during term three. Staff from Deadly Choices were also great supporters of Glenala and delivered traditional games workshops at a number of events throughout the year. Students who demonstrated good attendance and behaviour were invited to attend the end of year Deadly Choices camp.

This year four students were successful in their auditions for the Bangarra Rekindling Program. The program gave students the opportunity to learn from and work with Bangarra dancers and elders. Students were able to teach other students what they had learned during the program and this was then shared at a number of school and community events including Multicultural Day, Multi-Fest and at the Inala Senior Citizens.

Congratulations and best wishes to the graduating seniors of 2015 who have done a great job as leaders and mentors for our younger Aboriginal and Torres Strait Islander students. Thank you to Mitchell and Darcee for their leadership and contribution to the school and community. Congratulations to Tyson and Shanoa who are our Senior Aboriginal and Torres Strait Islander leaders for 2016. We look forward to working with students, parents and staff in 2016.

Carole Grant
Community Education Counsellor and Aboriginal and Torres Strait Islander support unit.
Graduation, Formal, Mystery Tour and Dreamworld

The 2015 farewell celebrations were a great success. It was fantastic to see so many parents, carers and relatives attend the graduation ceremony on the 19th November. It was for many however only the start of the celebrations with a very long day/night planned for the students to celebrate 12 years of schooling. The formal held at the Hotel Grand Chancellor was absolutely beautiful. The students looked stunning and so grown up in their formal attire. The venue was gorgeously presented and the food delicious. From the formal we departed at 11pm for the mystery tour. Travelling to a number of secret destinations throughout the night to keep the students entertained, it was a great success. Exciting events including Lazer tag, Trampolining, Jet boating and Dreamworld kept students awake throughout the 12 hour adventure. This cohort was absolutely fantastic to work with during 2015 and we wish them all success in their future endeavours.

Michelle Cox
Year 12 Co-ordinator
Day for Daniel

Child safety is such an important issue in our society and to do our part to raise the awareness needed for such an important issue, Glenala State High School’s Student Council organised another successful Day for Daniel walk. The walk took place on the 30th of October which is National Day for Daniel and commemorates a young man who was sadly kidnapped in 2003.

This year we walked with Durack State Primary School, the Inala Police Force and a number of other community members. We walked from DJ Sherrington Park, to Durack Primary, to the Civic Centre and then all the way back up the hill to school. We all wore our red colours with pride and took on the responsibility of sharing the important message of child safety with the community.

The Student Council would like to thank everyone involved and we hope to see you in red again next year.

Toni Rynne
Student Council Coordinator

Primary School Touch & Netball Carnival

On Friday 13th November, Glenala SHS hosted the inaugural Gladiator Cup at C.J. Greenfield Sporting Complex. The Gladiator Cup is a local Primary School Touch and Netball Carnival hosted by Glenala SHS and ran, managed and officiated by our SDP Students. The day was a huge success with 5 local primary schools including Durack State School, Inala State School, Richlands East State School, Serviceton South State School and Watson Road State School participating.

There were over 200 competitors and our students represented our school in a positive manner that promoted the excellent work of our school in the community. Huge congratulations to all students involved for making the carnival such a success and a special mention to Ms Laurie and Ms Smith for their hard-work and commitment from managing a great day.
