eSTEAM Academic Excellence Program

Year 7 - 2025 & Year 7 - 2026 Application

The eSTEAM Program builds capacity in our students to be the leaders of tomorrow within the areas of enterprise, Science, Technology, Engineering, the Arts and Mathematics (e.S.T.E.A.M). This innovative, academic program challenges and extends students who have a passion for technology and the sciences to reach their highest academic potential and to pursue a career path in these areas. The program promotes successful learning, confidence and creativity. It includes subjects that encourages innovation, design and real world problem solving through areas of Science, Robotics, Media, 3D Printing, Computer Coding and App Development.

The program is delivered across subjects that draw from a combination of Maths, Science, Technology and Media Arts curriculum content. Students need to have an interest in collaboratively developing creative and resourceful solutions to problems and extended challenge tasks.

Further information is available on the school's website – www.glenalashs.eq.edu.au.
