

GLENALA
STATE HIGH SCHOOL

eSTEAM Academic Excellence Program

Application
Year 7 - 2026 & Year 7 - 2027

The eSTEAM Program builds capacity in our students to be the leaders of tomorrow within the areas of enterprise, Science, Technology, Engineering, the Arts and Mathematics (e.S.T.E.A.M). This innovative, academic program challenges and extends students who have a passion for these fields, allowing them to reach their highest academic potential and to pursue a career path in these areas.

The program promotes successful learning, confidence, and creativity. It includes subjects that encourage innovation, design and real-world problem solving through areas of STEAM. The program is delivered across subjects that draw from a combination of Mathematics, Science, Technology and Media Arts curriculum content. Students need to have an interest in collaboratively developing creative and resourceful solutions to problems and extended challenge tasks.

Further information is available on the school's website – www.glenalashs.eq.edu.au.
