- Subject consumable fees must be paid by the end of February in the year of study.
- Where “Laptop Required” is shown as either Tier 1 or Tier 2, students can either Bring Your Own (BYO) or hire a laptop computer from the school. Tier 1 laptops are \$150 for the year. Tier 2 laptops are \$200. Tier 2 laptops are powerful enough to run the Adobe suite of software. Broadly, this would require an i5 processor, with a 256Gb Solid State Drive and 8Gb of RAM. All laptops *must* have 5GHz wireless capacity.
- Course enrolment fees not included.
- These costs are indicative and subject to change.
