OUT OF UNIFORM

The Year Coordinator will then record this information and give the student a blue uniform slip to show their other teachers during the day.

If a student is not wearing the correct uniform and the student does not have a note from their parent/carer, the student will be given the following options in which the student will decide their preferred response before the student is allowed into their timetabled class:

- a. Parents to be contacted immediately to bring proper uniform items to the school through Admin; or
 - b. The student walks home with their parent's permission to change into the correct uniform and return to school as quickly as possible, or
 - c. The student changes into clean school owned uniform items, swapping their personal items for the day. The student's property is returned to the student when the school owned items are returned; or
 - d. The student is issued new school uniform items and parents/carers are invoiced for these items. This invoice must be paid within two weeks from the date new items are issued.
- ✧ If a student is out of uniform and is not carrying a uniform slip, the student will be directed to the Office to see the the Year Level Coordinator.
