

GLENALA

STATE HIGH SCHOOL

eSTEAM

**-SCIENCE-TECHNOLOGY-ENGINEERING-
-ARTS-MATHEMATICS-**

You are invited to apply to be part of an exciting course at Glenala State High School in 2020.

Glenala eSTEAM teaches students to be the leaders of tomorrow in the areas of enterprise, Science, Technology, Engineering, Arts and Mathematics. Its subject matter includes innovative Science, Robotics, Media, Virtual Reality, 3D Printing, Computer Coding and App Development.

Students explore these areas to develop creative and enterprising solutions to 21st Century problems.

The eSTEAM class has access to specialist facilities including our new STEM Centre of Excellence and expert teachers. Students are extended in their academic learning and develop high level problem-solving abilities.

To be a part of this exciting opportunity, please complete the form below and return to Glenala SHS as soon as possible.

Yes, I am interested in applying for Glenala eSTEAM in Year 7 in 2020.

Student Name	
Parent/carer name	
Contact number (Business hours)	
Primary school currently attending	

Please return this form to Glenala State High School, Glenala Rd Durack or email admin@glenalashs.eq.edu.au

Acceptance into the class will be via an entrance exam in Semester 2. Details of this exam will be forwarded to you once all applications have been processed.
