

Investing for Success

**Under this agreement for 2017
Glenala State High School will receive**

\$599 155

This funding will be used to

- 90% A – C level of achievement
- 100% positive gain in NAPLAN
- Increase in upper two bands
- School opinion survey > 95% parent, student and staff satisfaction

Our initiatives include

- Continue to embed the Positive Behaviour for Learning framework. This work links with ASOT and other evidence based research to explore with staff – student cognitive, emotional and behavioural engagement.
- Continue to employ culturally appropriate staff across the school to ensure parent, student and community engagement.
- Reduce class size across junior secondary to better support and provide interventions for EALD, below NMS and potential U2B students
- Literacy being a whole school priority – concentrating on Reading, Writing and Vocabulary.
- Continue Literacy and Numeracy intervention program Quicksmart
- Continue a thorough NAPLAN preparation program for Junior Secondary through curriculum, intervention and NUMLIT.

Our school will improve student outcomes by

Employ a Director of Student Engagement	\$144282.55
