

Investing for Success

Under this agreement for 2018

Glenala State High School will receive

\$829,024*

This funding will be used to:

- reach 90% A – C level of achievement in Years 7-12 across all curriculum areas
- reach 100% positive gain in all NAPLAN strands
- increase achievement in NAPLAN Upper Two Bands (U2B) in all strands
- reach 90% parent, student and staff satisfaction in the School Opinion Survey as per headline indicators

Our initiatives include:

- continuing to embed the Positive Behaviour for Learning Framework; this work links with ASOT and other evidence based research to enact student cognitive, emotional and behavioural engagement
- employing a Curriculum HOD to assist in the embedding of school priorities
- continuing to employ culturally appropriate staff across the school to ensure parent, student and community engagement
- reducing class size across junior secondary to better support and provide interventions for Indigenous, EAL/D, Refugee, below NMS and potential U2B students
- literacy being a whole school priority, with a 2018 focus on writing
- continuing literacy and numeracy intervention program Quicksmart
- continuing a thorough NAPLAN preparation program for Junior Secondary through curriculum, intervention and NUMLIT.

Our school will improve student outcomes by:

- monitoring the performance of our students systematically and intervening when needed
- providing evidence based support for students
- enhancing the skills of teachers particularly in pedagogy
- employing additional staff to provide support through monitoring and intervention. **\$829,024**
